Final Nine Weeks of 18-19

The final nine weeks of the school year has begun. **To pass a class, students must earn a cumulative score of 280 points for each class, averaging 70 per nine weeks.** If students do not earn that score, they have failed that class for the year. Please encourage your student to complete assignments, including homework, and to try their best on Unit tests.

TCAP starts April 9th! Are You TNReady?

~Students will participate in state testing starting Tuesday, April 9th. Please try to make sure students attend school each day of testing.

Here are a few tips to help students be the most successful during testing:

- 1) Get a Good Night's sleep. Go to sleep earlier than normal. Teens and pre-teens need more than 8 hours of sleep each night.
- 2) Eat breakfast. Try to avoid sweets. Protein is best (eggs, meat, etc.)!
- 3) Bring a few pencils each day. Maybe also gum or sucking candy...it helps you focus.
- 4) Relax. It is a test, but it is not the end of the world. Try your best! Take your time (but not too much). Skip the questions you don't know and come back to them.

Order Your Yearbook

Yearbooks are on sale for only \$30, with no increase from prices for the last 4 years. To order, students and parents can see Mrs. Davis in the library. Cash & Checks until early May. Cash only afterwards!
