

## **PAY AP TEST FEES ONLINE**

I have set up these teachers AP test fees online for parents to be able to pay with a credit card. It is set up so that they can go online to pay instead of calling our office and giving payment over the phone. Every time a parent/student pays for their AP test fee the corresponding AP teacher will receive an email letting them know that particular student has paid their fee with credit card. It is available to use **starting today** and shuts down after February 20<sup>th</sup> which is the last day for them to pay. If any of you have any questions, please let us know. Thanks!

Parents can click on the link below and it will bring you to the website to pay. You will need to register the first time you use this website and will need their student's PowerSchool ID number in order to pay.
