Register online: <https://enroll.cmcss.net>

### Important Kindergarten Information:

- In August, kindergarteners will be assigned a teacher to complete the district required kindergarten assessments. Once they are completed, your child will be placed on a permanent classroom roll. Remember, the teacher completing the assessment may not necessarily be the teacher your child will remain with for the entire year. The principals, teachers, and staff will work together to adjust classroom rolls in order to provide the best possible learning environment for every child.
- During first five full days of school, your child will only come to school one day for their testing day. This allows them to ease in to their new environment. Only 3-6 students in each class will attend each day. Your child's testing day will be given to you on the 1<sup>st</sup> half day of school on August 8<sup>th</sup> during the orientation.
- You will need to come to school with your kindergarten student for the kindergarten orientation on August 6<sup>th</sup> at 9:00 am in the gym. You and your child will stay for approximately 45 minutes. Your child will leave with you after the orientation is over.
- Transportation Reminders: If your child is going to be a car rider, please work with them on buckling and unbuckling their seatbelt or carseat on their own. Our staff will open doors on the passenger side to help your child get in and out of the car. Parents should remain in their vehicle at all times. Bus information can be found at [www.businfo.cmcss.net](http://www.businfo.cmcss.net).
