For each test, the student with the highest score **regardless of Latin level** earns a Best of Show certificate. Grayson Cobb earned Best of Show for the Roman Life test because he had the highest score in the state **as a Latin 1!** Zachary Costa also earned this top award for the Vocabulary test.

Additionally, in certamen (Latin quiz bowl), we placed 5th in Latin 1 with a team of Grayson Cobb, Sawyer Griffy, Hannah Dodson, and Lily Oliver. Our advanced team repeated as state champions with a 200-80-10 victory in the finals; the members of that team were Zachary Costa, Emily Caldarelli, Asa Ruiz, and Sarah Lee.

Any time students place in an event, they earn Sweepstakes points for their school. Emily Caldarelli was the individual with the 8th most Sweepstakes points in the state. Schools are separated into divisions based on how many delegates they bring to convention and Rossview also placed first in our division in Sweepstakes points.

Last but not least, Emily Caldarelli was elected to serve as the 2018-2019 TJCL Parliamentarian. She will recruit candidates and run next year's elections while also proposing amendments to modify the TJCL Constitution.
